**DATABASE AND GEOGRAPHIC INFORMATION SYSTEM MANAGER
AND
SUPERVISOR OF GEOLOGICAL SAMPLES PREPARATION**

WORK EXPERIENCE

**December 2010 -
December 2014** **G&B African Resources / Premier African Minerals – Togo**
- Database management and maps production using Excel, Access, ArcGIS and Target of Geosoft

**May -
September 2014** **Premier African Minerals – South Africa / Zimbabwe**
- Data compilation and maps production using Excel, ArcGIS, MapInfo and Target of Geosoft
- Target training at Geosoft office

**October -
November 2011** **G&B African Resources – South Africa**
- Data compilation and maps production using Excel, ArcGIS and Target of Geosoft
- Target training at Geosoft office

**September -
December 2010** **Bureau Veritas Mineral Laboratories – Côte d’Ivoire**
- Supervising the work of samples preparation: sampling, drying, grinding, pulverising, measuring density and moisture
- Data management with a Laboratory Information Management System using Access
- Provided staff training
- Writing a manual of the preparation process

August 2010 **Geotech – Ghana**
- Training in ArcGIS

G&B African Resources – Togo
- Database management and maps production using Excel and ArcGIS

April 2010	Sama Nickel – Côte d'Ivoire - Supervising the work of samples preparation: sampling, drying, grinding, pulverising, measuring density and moisture, sending samples to the laboratory - Data management using Excel
February 2009 - March 2010	- Data compilation and maps production for different junior companies
August 1995 - December 2008	Falconbridge then Xstrata Nickel - Côte d'Ivoire - Database management using Excel, MapInfo, Discover and Gemcom - Digitalization and production of maps using Autocad, MapInfo/Discover and CorelDraw - Purchase and maintenance of hardware
May - June 2008	Falconbridge - Dominican Republic - Database implementation - Provided local staff training - Maps production
January - September 2006	- Exploration works in Togo and Benin
September - November 2004	Falconbridge - Brasil - Database implementation - Local staff training given
September 2004	Falconbridge Ltd - Toronto (Canada) - Gemcom training
July - August 2001	Falconbridge - New Caledonia - Database management - Maps production
July 2001	Falconbridge - South Africa - Meeting and discussion with local technicians
October 1998	Falconbridge - New Caledonia - Database implementation - Local staff training given
August 1998	Falconbridge Ltd - Toronto (Canada) - Training in MapInfo and Gemcom

- September 1997** **Falconbridge Ltd - Toronto (Canada)**
 - Training in MapInfo and Gemcom
- July -** **Falconbridge - Rouyn Noranda (Canada)**
August 1996 - Training in AutoCad and MapInfo
- February 1994 -** **Falconbridge – Côte d’Ivoire**
August 1995 - Supervising the work of physical preparation of samples:
 sampling, drying, grinding, pulverising, measuring density and
 moisture
 - Data management using Excel
- September 1993 –** **Sodemi (Société pour le Développement Minier en**
February 1994 **Côte d’Ivoire) - Abidjan**
 - Geochemical analysis:
 Gold and base metals (Cu, Pb, Zn, Ni, Co)
 - Determination of major oxides gravimetrically (SiO₂ case) and
 by using atomic absorption spectrophotometry (Al₂O₃, MnO,
 Na₂O, Fe₂O₃ cases)
 - Determination of phosphorus using a uv-visible
 spectrophotometer

QUALIFICATION

Graduate Certificate in Inorganic Chemistry – University of Abidjan

Degree in Chemistry – University of Abidjan

A’level in Mathematic and Biology

LANGUAGES

- French: Fluent
- English: Average
- Spanish: Average

INTERESTS

Sport: Cycling and Jogging

Game: Scrabble and Quiz Show
